

Morasha

Dear Morasha,

Hi everybody! I miss you guys soooooooooooooo much!!! Please read this letter at Kabbalat Shabbat for me. Thank you. I heard that you guys are shutting down and that this year is your last year of Morasha! When I heard this I started to cry. I am soooooo sad, you have no idea! Morasha is a part of my life and I had been there since preschool! It is like Morasha is a part of my heart and I will never forget it. My new school is nothing like there. I have kept all of the yearbooks and I look at them every day. I am always thinking of you guys. My life here is so hectic. Over in California my life was all perfect. I had the best friends I could ever get and never forget. I visit Morasha's website all the time. It has been so long since I saw you all. When I moved here to Colorado I thought to myself and I said, "I thought I was going to stay at Morasha until graduation", but not. Instead I made it until 4th grade. I want to say thanks to all of you for boosting me up when I left. I want to say a special thanks to all the staff and teachers for teaching me everything I know. Thank you. I don't know what I could have done without you.

MORASHA TEACHERS ARE THE BEST!

Right now I am in Hebrew school and I am ahead of everyone else in the class because Mrs. Elbaz and Mrs. Barkol taught me everything! Mrs. Pratt taught me how to be an artist and make my paintings and drawings beautiful. Thank you. Mrs. Hoffman taught me everything I need to know about history in Jewish life. Mr. Cross taught me to love math. Mrs. Gadomski, science is still not my favorite subject but you were the best teacher. Last, but not least, Mr. C. and Mrs. Fein. Thank you so much for helping with the school. You had so many fun activities to do when I was there Thank you all so much!!!

: -)

Sincerely,
Tova Slavkin
