MORASHA STARS vs Heritage Oak Huskies

Stars 6 - Sea Lions 20

The Morasha Stars Basketball team went on the road again to play the division first place team, Heritage Oak Bears. The Stars arrived in Yorba Linda, ready to play after their rain-out against McDowell on Wednesday. They had practiced plays to run and were excited to implement them.

The game began with the Stars and the Bears playing back and forth ball. The Stars were keeping up with the Bears, not allowing them to score, blocking shots and creating turnovers, giving themselves plenty of chances to score. At the end of the first quarter, because of the Stars high intensity, there was no score in the game!

Wow! Way to go boys!! You were awesome!

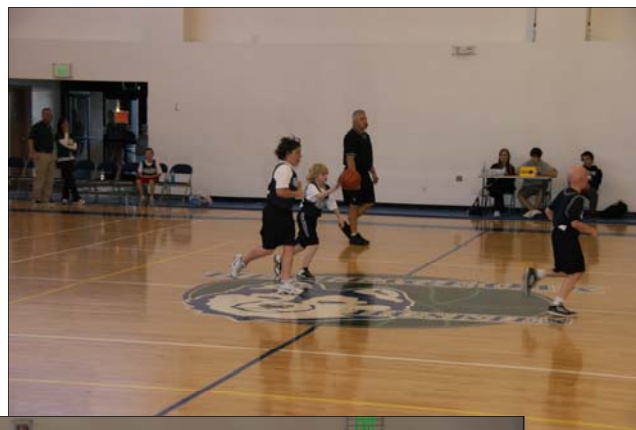

The rest of the game went by quickly, with the same intensity as the first quarter. The Stars forced turnovers, created scoring chances, and played a great passing game which they had worked on in practice. Way to go Stars! Nice Game! The Final Score Stars 6 - Bears 20. **Awesome, the Stars held the Bears to a low scoring game, a first for the Bears. Way to Go Boys! Keep it up!**

The Stars would like to thank all their fans who traveled to cheer them on! The Season ends at HOME on Wednesday with the Stars vs. Edgewood Eagles. Hope to see you all there!

GO STARS!

The Stars look forward to seeing you all at their **LAST HOME GAME**
on Wednesday, March 11 at 3:45 See you there!

**GO
STARS!**
